Dear Friends,

Thank you for your kind help as we prepare servants to share the gospel and strengthen the Church. Your gift is a great encouragement.

We are entering the phase of our school year that provides wonderful opportunities to see our students in action. Ministries include everything from our puppet team reaching children to our student teachers serving in various schools to a variety of music services. Our Alpine staff is also finalizing plans for a full season of adventure activities and camp weeks. As you can see, your support is being greatly used of the Lord!

Let me again encourage you to be looking for students to send our way. Our world desperately needs Jesus. We are passionate about equipping more servants.

Again, thanks for your partnership. I am honored to serve with you. Always pray the Lord of harvest to send forth servants . . . *because Life is for Service.*

So grateful to
serve with you
dear folk. It was
a special blessing
to have Pastor Sean
minister in our Chapel.
