Dear Friends,

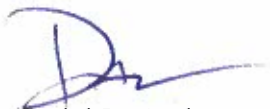

Thank you for your gracious gift as we are engaged in our concluding month for this school year. Your help at this time is so important.

As the signs of spring become beautifully apparent, our campus family is involved in a full schedule of ministry and events. It is during this time that we invite our community and friends to join in one of our Spring Music Festival concerts. We emphasize our commitment to expository preaching through our Lester E. Pipkin Expository Preaching Week as students are selected to preach. It's a great blessing to listen to these young servants of the Lord! We are excited to host young people for our Youth Impact weekend. Pray that many will be called of God to serve Him and then prepare for service here at ABC. Our month concludes with special events like our Board meeting, our Faculty/Staff Retreats, and our Campus Work Day.

As you can see, your prayers and partnership are allowing great things to be accomplished for the Lord. Thank you so much! Please continue to seek servants ("Each One Reach One") as we fervently share the Gospel and strengthen the Church...Because Life is for Service.

*Again thanks for letting us serve with you. Please pray us Rosalee & I lead our Jubilate Handbell Choir Tour May 7-22.*

His Slave,

  
Daniel L. Anderson, Th.D.
