Dear Friends,

Thank you so much for your gift. Your investment in our ministry is being used of God to help us share the Gospel and strengthen the Church.

These are exciting and very full days on our campus as we begin our 73rd year of equipping servants for the Lord. I wish you could have been here as students began to arrive. The thrill of seeing returning students interact as they connect with their friends is such a blessing to witness. The excitement of new students settling in provides lots of enthusiasm as well. Praise the Lord for a 14% increase in new students compared to last year. Your prayers are being answered!

Please continue to pray for us as we move through these opening weeks of school, classes, new jobs, ministry assignments, and lots of other facets of our campus that will all be impacting so many. As we focus on our theme, "Servants who fear the Lord," pray that God's presence will control every part of our work.

Again thanks for your partnership. Keep praying the Lord of Harvest to send forth servants...Because Life is for Service.

Rosalie? I have
had a great
start to our year.
Your prayers make
a difference!!

Blessings
