Berean Baptist Church

Dear Pastor Harris and Church Family,

Time is really flying by. It is hard to believe that the year 2022 is now history, gone very quickly. We hope that you had a great year 2022 and a very Merry Christmas and that 2023 will be a blessed year for you and yours. Mary and I are doing very well for our age. We have many strange pains which are normal for people our age. We are very thankful for all the many blessings we receive and are receiving from God.

A Youth Group from Berean came to visit us many years ago. I believe the Youth Leader was Bro. Tim, but I am not sure, my memory is not very good. We went our soul-winning, door to door and Bro Tim was my partner. We knocked on a door and Bro Tim, (with my help in Spanish) lead a young man to the Lord. His name was Mauro. He and his brother Mario came to church and Mario was saved. Mario started coming to our services faithfully and soon surrendered to serve the Lord full time. He also had his eyes on one of our young ladies named Diana. Both wanted to go to college to prepare to serve the Lord. I sent Mario to a college in another state and Diana to a local college. They both graduated and came back and later got married. Mario has been the assistant Pastor of Las Torres Bapt Church for more than 8 years. The GOOD News is that Mario is starting a New Church about an hour and a half from Monterrey. Folks, another Church for the Glory of God. I hope someone will tell Bro. Tim.

Christ the Rock Bapt Church: Is building a new church building and most of the work is being done by the members. They poured the roof this past week. Pastor Garcia is doing a fine job and it seems that the Lord is blessing the church.

Las Palmas Bapt Church: is doing very well: They are very faithful in their soul-winning. The Church is more than 12 years old now.

Liberty Bapt. Church, Michican, Mexico: is doing very well. Pastor Flores has been sick but he is better.

Thank you for all your prayers and your faithful support. We pray for you and appreciate you very much. You have much fruit in Mexico and Peru and other places. We are very thankful for all the souls God saved and is saving in and through these faithful servants. Jesus Is Coming.

In His Grace

Gerald and Mary
