Fayetteville NC 28314

Dear Pastor Harris and Church Family,

It has been a long while since my last update and many things have happened. In one of my updates, I mentioned that Mary was having alot of trouble with her hand. The doctor gave her several shots, but the last one he told her she would need surgery. She has had the surgery and therapy and is almost back to normal.

Mary's health is ok with all the medicine that she has to take. My health is fine. The doctor put me on 2 other medicines and they lowered my heart rate so bad that I had to spend two days in the hospital to get it back to normal.

The ministries in Mexico and Peru are all back to normal with 3 services each week

Pastor Cesar Noe at Las Torres Bapt Church had corvid again, but it wasn't as bad this time. In fact, all these pastores have had it and some of their members have died from it.

Pastor Jorge Garcia at Christ the Rock Bapt Church is still very busy with the construction of the Church Building. Last month he had a big day promotion and many came for the first time. All the others are doing fine as far as I know. We are in communication with them but we can't make trips there anymore.

Thank you for your prayers for us and the ministries in Mexico and Peru. Thank you for your continued support. You have much fruit in Mexico and Peru and other places. We are very thankful for all the souls God saved and is saving in and through these faithful servants.

In His Grace

Gerald and Mary
