February 2022

Greetings in the Precious Name of Our Savior,

*“And even to your old age I am he; and even to hoar hairs will I carry you: I have made, and I will bear; even I will carry, and will deliver you.” (Isaiah 46:4)*

I chose this verse because it reminds me that God never changes and that He will always carry and deliver His people. It has been an eventful few months as we closed out 2021 and began 2022. Again, as life goes there are always ups and downs. This was the case for the Clark Family. Allow me to share some of the highlights with you.

**On The Road:** There have been some “*On The Road*” experiences these past few months. In November the ROMA team (Walter Stevens, Ted Ricci and I) were able to present a ROMA Sunday in my sending church (Crossroads Baptist Church). It was a blessing to be with my church family and my Pastor, Anthony Rister. The following Sunday I was with the Spanish ministry at Bible Baptist Church in Bradenton. Pastor Fabio Betancourt and his people were a real blessing. That evening I was in the main church preaching and giving an update on my son’s condition. The end of the month found me up north in Cleveland, Ohio at Cleveland Baptist Church. This was another team effort in presenting a ROMA Sunday.

December was relatively uneventful as far as travel and ministry was concerned. A lot of time was spent in the study preparing lessons for a planned trip to our institutes in Eastern Europe. During December Eileen and I were down with COVID. We both had relatively light cases and were back at things after a couple of weeks.

January has been a month of encouragement and disappointment. I made solid plans and preparations to travel to Romania and Ukraine for institute and preaching ministries. I studied and put together institute material. However, due to some confusion about travel restrictions in Romania, I had to postpone that part of the trip. Next was the political situation and threat of war in Ukraine. After counseling with my pastor and praying with Eileen, I decided that Ukraine would have to be postponed as well. That leaves my plans for February up in the air.

**On the Home Front:** We are both well and moving forward after our brief bout with COVID. Eileen was able to get a settlement on the fall that she took three years ago. This means that she will be able to get the treatment that she needs for her jaw. Sean has almost completely recovered from COVID and went back to work this week. He still has some problems with his feet and ankles. A matter for prayer.

**In the Works:** With the postponement of travel to Eastern Europe, I am praying about new dates to travel. Also with the postponement, my February has opened up. I realize that this is short notice, but I am available to come and report. If you are interested let me know.

**From Our Hearts:** We continue to be extremely grateful for your faithful prayer and financial support! Our ministries could not continue without your understanding and faithful support. God’s blessing to all of you as we begin a new year of service!!

Your servants,
