GIVING OPTIONS

The work of the church, the giving to those in need, and the support of global partners in the proclamation of the gospel of the Lord Jesus Christ both here and abroad require the faithful, consistent, generous giving of all of God's people associated with Berean Baptist Church. When one person chooses not to give, the work of the Lord is being limited by disobedience and sin.

This giving can be done in numerous ways including the giving of time and special talents; however, what is absolutely necessary is the giving of money to the ministry. Without money, the vision of a greater, more-influencing ministry will not be achieved. It is only through the sacrificial giving of thousands of people for over forty years that the church is what it is today, and it is only through the same giving that it will be an influential church in the community for decades to come.

You can give to the work of the Lord through Berean in several ways:

- **Bank Draft E-Giving**
 - Anyone can set up an e-giving account online and manage it themselves. The instructions on how to do this are on page two.
 - Those who are giving electronically do not have to fill out a giving envelope. This data will be recorded by the church office staff.

- **Check or Cash**
 - Some people choose to give their gift to the Lord by placing it in the offering plate when it is passed during a preaching service.
 - Please take the time to fill out a giving envelope located on the back of the pew. A small supply of envelopes can be picked up at the church office.

- **Online Banking**
 - Many people choose to set up their gift on an automatic system with their bank. The bank will mail a check directly to the church. These checks are deposited with the Sunday offering and the office staff ensures that the giving is annotated on the individual's giving record.
