Dear Potential Church Member,

In the same way that you are asking questions and trying to decide if you will unite in membership with Berean, Berean must also ask some questions of the person who wants to unite with us in membership.

The way Berean chooses to ask the important questions about the person wanting to become an active voting member of the congregation is to provide each applicant with a simple questionnaire. The questionnaire and accompanying testimony sheet will be reviewed by a pastor or elder and, if necessary, other pastors/elders when there is a question as to whether a person will be recommended to the church for membership. Ultimately, the voting membership must decide whether a person will be welcomed into the congregation (voting membership); however, God has ordained that pastors and elders protect the flock from those whom they believe to be potentially harmful.

The purpose of the questionnaire is not to keep people from attending the church, but it does have the purpose of limiting who becomes a part of the adult voting membership and who serves in positions of childcare, leadership, and authority.

The church is full of sinners and we must guard against a spirit of self-righteousness; however, there is a distinct difference between someone involved in a lifestyle of sin and a person who is seeking to obey God's law by the grace of God. Attenders are welcomed and cared for by the entire church; however, there is a difference between an attender and a member. The primary difference is a member can serve in a multitude of positions of influence whereas the attender's influence is limited and not officially sanctioned by the church.

The membership questionnaire on the next page is designed to facilitate the membership interview with a pastor or elder in protecting the flock of God from those whom they believe to be potentially harmful.

If you are trying to decide if you would be welcomed into the membership, the answer is "yes"—provided you are seeking to live with Jesus as your Lord and the Bible as your life's guide. The membership prohibitions on the third page are designed to succinctly communicate to those who would need to turn from particular issues before becoming a member. The entire church is committed to loving those who Christ loves and helping them, by God's grace, turn from anything that is a reproach to the cause of Christ.

If anything in this document is confusing or needs clarification, please call the church 910.868.5156 to schedule an appointment with a pastor to discuss your concerns.

Proclaiming Christ,

Sean Harris, Pastor
