Dear Friends,

Thank you for being such an encouraging partner in our ministry. Together we are impacting our world as we equip more servants and encourage the Church.

Praise the Lord for His goodness to ABC. Our campus has experienced wonderful blessings. Let me share a few. First, I thank the Lord for His care during these unusually cold wintry days. Pray for extra provision for increased heating/snow removal expenses. Second, we had a great Pinter Lecture Series challenging us to be discerners of the times. Pray for students to truly be discerning as they serve this generation. Third, thank the Lord for the excellent leadership of our Board of Directors. Pray for God's continued guidance through these dedicated leaders.

Your prayers and support are so important. Please be looking for prospective students to take advantage of the opportunity to receive our BIG Scholarship which provides the entire tuition for ALL first-time, full-time campus students! Our world needs Jesus.

God bless you as you serve...*because Life is for Service.*
