Dear Friends,

Thank you for your encouraging gift. The Lord is using you to help us equip servants to share the gospel and strengthen the Church.

As our world faces the ever-present circumstances of unrest and uncertainty, it is a wonderful privilege to know the peace and confidence we can have in the Lord. I frequently seek to challenge our ABC family with the reminder that these are great times to be serving God. We truly have what this world needs! That's one reason your investment in our ministry is so rewarding.

Please continue to pray for the various facets of our work. Pray for our primary campus here in the Beckley community. Also pray for our Eastern Panhandle Bible Institute in the Martinsburg, WV area. Please pray for our Prison Bible Colleges at Mount Olive, at Lakin, and at St. Mary's. Pray for all of the various Alpine Extension Ministry activities through retreats and guest groups. I could continue with other areas but will simply say that your partnership in giving and in praying is so important. Thank you!

Keep praying the Lord of Harvest to send more servants...*because Life is for Service.*

*So grateful to serve
with you dear folk!
Rosalie & I need your
prayers as we begin our
New Semester --
Blessings*

Daniel L. Anderson, Th.D.

P.S. I'd love you to share the news about our BIG Scholarship for all first-time, full-time campus students to have their entire tuition provided. Our world needs Jesus.
