Dear Friends,

Thank you for your gracious gift to help us as we move into a full summer of ministry. Your partnership is being used of the Lord to impact hundreds of lives.

Praise the Lord for the opportunity of our various Alpine Ministries. I often reflect on how God has placed Appalachian in an area with so many natural resources which can be used both to provide unique experiences like supreme whitewater rafting as well as amazing spiritual lessons through these activities. Pray for the many unsaved guests who will hear the gospel, as well as the challenge to believers to faithfully follow the Lord. Always pray for safety in all of these "high risk" adventures.

Please keep looking for prospective students to take advantage of our BIG Scholarship which covers the cost of tuition for ALL first-time, full-time campus students. We are passionate about building life foundations upon God's Word.

God bless you. Always remember to pray the Lord of Harvest to send forth servants. We are honored to serve with you...*because Life is for Service.*

*Rossie: I have  
several extra  
ministries these  
days. Thanks for  
praying for us -  
Blessings*
