Dear Friends,

Thank you for encouraging gift. Your investment in our ministry truly is a testimony of laying up treasure in heaven.

Our new semester has begun with a sense of enthusiasm as we continue our theme of "Servants Rejoicing in God's Goodness." I was especially challenged by this focus as I brought my opening message in chapel during which I encouraged our campus family to reflect on a passage from the Psalms that declared the assurance of God's goodness, the abundance of God's goodness, and the availability of God's goodness. I would invite you to listen to this message ([abc.edu/live](http://abc.edu/live)). Praise God for His goodness.

Over the next few weeks, we will be involved with a variety of activities on our campus. Our Pinter Lecture Series, our Servants' Summit Conference, and our Anderson Leadership Symposium are three special opportunities to advance our mission to equip servants and serve the Church. Pray for God's blessing on these events.

Again, thanks for the privilege to serve together. Keep praying the Lord of Harvest to send forth servants...*because Life is for Service.*

*Rosalie & I are off  
to a great start to  
our new semester.  
Thank you for helping  
us prepare servants for
