Dear Friends.

Thank you for the privilege to serve with you as we invest in the lives of future servants of the Lord. Your partnership is being used of the Lord to share the Gospel and serve the Church.

Our campus has been a vibrant one during these opening weeks of our school year. We were excited to host our West Virginia Christian Education Association for their annual convention. I praise the Lord for the excellent work being done by the Christian schools throughout our state. Pray for God's blessing on each of these ministries.

Our Alumni Homecoming was another blessed time of bringing alumni "home." Praise the Lord for the ways the alumni are serving literally all around the world. The Ladies Auxiliary Fall Luncheon also was a time of encouragement and challenge. It is always a joy to minister to these special ladies who serve behind the scenes in so many ways.

We are excited to again challenge our students through our annual Missions Conference. Pray the Lord of Harvest to send forth servants.

Again, thanks for your encouraging support. These are important days to serve the Lord together. *...because Life is for Service*

Dr. A is away right now, but I know that he appreciates your help so much!
