Dear Friends,

Thank you for your encouraging gift. Your partnership is so important as we start this new year of equipping servants for the Lord.

Our theme for this year is "Servants Who Follow" with a focus on reminding our campus family to faithfully follow the Lord. Please pray that each of our students will be sensitive to God's leading. Praise the Lord for a wonderful group of new students with a 16% increase in our incoming class.

Please continue to pray for our fall ministries through our Alpine Adventures and Retreats. Pray for safety and for spiritual impact.

I trust that you will sense how God is using you as we seek to reach our needy world. Continue to pray the Lord of Harvest to send forth servants...*because Life is for Service*.

Praise the Lord for your faithful help. Rosalie & I have several extra ministry assignments during these coming weeks, so please pray for His strength & blessing —

Blessings

His Slave,
