...because Life is for Service

Berean Baptist Church
517 Glensford Dr
Fayetteville, NC 28314-2398

Dear Friends,

Thank you for your encouraging gift. God is using you to help us equip another generation of servants to spread the gospel and strengthen the Church.

Our new school year has begun with a great sense of God's goodness. Our theme for the year, "Servants Rejoicing in God's Goodness," was selected to celebrate the completion of our 75th year. From a humble beginning in 1950 in Pettus Baptist Church to our beautiful 150-acre campus today in Mount Hope, we can truly rejoice in God's Goodness!

And you have helped write this story!! Please pray that God will continue to shower His goodness upon us. Our world desperately needs what we do as we seek to advance the Great Commission assignment given by Jesus. Pray that every student will follow God's leading.

Again, thank you for your gracious support. Keep looking for more servants as you pray the Lord of Harvest to send forth laborers...*because Life is for Service.*

*Donna & I are so
grateful to serve
with you. We
are honored to
serve you here at
