Dear Friends,

Thank you for your gracious gift. Your investment in our ministry is a wonderful provision from the Lord.

As we approach the coming of spring, it is always refreshing to see the signs of the season. Just like the grass and flowers seem to come to life, so too our joy is to see the growth of our students as they "come to life" through their training here at ABC. Your support makes these growing moments possible!

We continue to celebrate our 75th year of equipping servants for the Lord. This has been a very special year as we have enjoyed the ministry of alumni in each of our chapel services. I have been reminded by these chapels of how God is using ABC in great ways around the world. Praise the Lord!

Keep praying the Lord of Harvest to send forth servants. Share our BIG Scholarship opportunity which covers the entire tuition costs for all first-time, full-time campus students. Thanks so much for the privilege to serve together...*because Life is for Service.*

Rossie & I have
been so grateful
for your prayers &
support over these
recent days --

Blessings
