*...because Life is for Service*

Berean Baptist Church  
517 Glensford Dr  
Fayetteville, NC 28314-2398

Dear Friends,

Thank you for your encouraging gift. Your support for our ministry is accomplishing eternal fruit as you help provide for our staff and students.

These are full days on our campus. It is exciting to see God's good hand upon our ministry. Lots of planning is being done for our annual Missions Conference. Pray for God's work during that time. We are hosting numbers of guests through our Alpine Ministries. Pray for spiritual impact through our various retreats and activities. We are also enjoying special time with alumni. Pray for God's blessing as our alumni serve around the world.

In addition to these examples of ways we are serving the Lord, we are also praying for God's direction in the lives of prospective students. Our Admissions Team is sharing in schools and conventions about our BIG Scholarship opportunity which covers the entire tuition for ALL first-time, full-time resident students. Please share this good news with any prospective students you may know.

Again, thanks for your gracious help. Always pray the Lord of Harvest to send forth servants...*because Life is for Service.*

*Rosalie & I have  
had a wonderful  
time of ministry  
during these fall  
weeks. Thanks for  
your partnership!*
