...because Life is for Service

Berean Baptist Church
517 Glensford Dr

Dear Friends,

Thank you for letting us serve with you as we seek to share the gospel and strengthen the Church around the world. Together we are grateful to have an impact for the Lord.

As we approach the coming of spring, we want to thank you for your prayers and support during these winter months. In spite of the extra cold and snow, we have sensed a vibrant and "warm" testimony among our campus family. Please pray for special opportunities through our Gap mission trip to Chile and our Chorale Tour. Our students are being used of the Lord.

Our preparations for our Alpine Bible Camp and Adventures ministries are accelerating during these days. I hope you will be able to participate in these ministries. Praise the Lord for exciting progress on the installation of new climate units for our Des Plaines and McCarrell Hall residence halls. Our students are especially excited to have air conditioning. Of course these new features will be great for our summer activities.

Please look for more students to send our way for Fall, 2025. Praise the Lord for our BIG Scholarship which provides the full tuition for ALL first-time, full-time, resident students. It is more affordable than ever for students to attend ABC to prepare to serve the Lord. Our world needs Jesus!

God bless you. Again thanks for your partnership. Keep praying the Lord of Harvest to send servants . . . *because Life is for Service.*

*We are excited to
see God's goodness
as we prepare for
some of our Spring
events & outreach.*

Thanks for your prayers! Sappal - -
