Dear Friends,

Thank you for the privilege to serve together with you. Your prayers and support are being greatly used of the Lord.

Our school year is rapidly coming to a close. This has been a very special one as we have been celebrating our 75th year of ministry. The joy of having our alumni serve in our chapels and various conferences has reminded us of God's goodness in the fruit of our ministry. Likewise, we have enjoyed precious times of reflection during celebration events. To God be the glory for His goodness!

Please be in prayer for this year's graduates as they move into their next phase of God's will. We are asking God to use them to share the Gospel and strengthen the Church wherever they go.

Also join in prayer as we are preparing for a full summer of ministry through our Alpine Bible Camp and Adventures. We are still in need of counselors and guides. If you know of persons who would be available to serve with us, please have them email our Vice President for Extension Ministries, Dave Holloway. His email is dave.holloway@abc.edu.

These are exciting days to serve the Lord. Keep praying the Lord of Harvest to send forth servants...*because Life is for Service.*

Rossie & I are working hard to complete our school year & then we will be on tour with our Jubilate Handbell Choir for two weeks. Please pray for God's blessing -

His Slave,

Daniel L. Anderson, Th.D.
