Berean Baptist Church

Dear Pastor Harris and Berean Family,

Time is passing so fast that it is hard to keep up with things. I believe that I am a little late getting this letter out and I do apologize. We certainly hope that you and yours are in the best of health and receiving the blessings of our Almighty God. I would like to share some of the happenings in the ministries in Mexico.

LAS TORES BAPTIST CHURCH: MONTERREY MEXICO: I am pleased to report that Pastor Cesar Noe Montelongo has recovered and all the facial disorders have vanished. But in all the testings, they found that he has a problem with his liver and his wife has a gallbladder problem. Please keep this family in your prayers.

BETANIA BAPTIST CHURCH: GARCIA MEXICO: Pastor Mario Moreno and his people have started their building program. They have finished the foundation and the roof. These folks are workers and they want a church building. Thank you for your prayers.

LIBERTY BAPTIST CHURCH: MICHOACAN MEXICO: Pastor Josue Flores's mother had a heart attack but has recovered very well for which we are thankful. This church is located in a city that is controlled by the drug cartel. It is a very dangerous place. Yet souls are being saved and the church is growing. Please keep this ministry in your prayers.

Our Health: Mary is having trouble falling, and she loves her plants and waters them almost daily. Last Wednesday Mary fell and cut her head. They put 6 staples to close it up. So no more watering for Mary. Last month I completed 88 years and in September, Mary will turn 89 years of age. We are old.

Thank you for all your prayers and faithful support. We pray for you all and appreciate you very much. You have much fruit in Mexico and Peru and other places. We are thankful for all the souls God has saved and is saving in and through these faithful servants. Jesus is Coming.

In His Grace
