Dear Pastor Harris and Church Family,

It is a privilege for me to share these updates from these ministries that God has allowed us to have a part in. We are pleased and are rejoicing in the fruit that these faithful servants are getting as they serve our Lord Jesus Christ in Mexico, Peru, and the USA.

**LAS TORRES BAPTIST CHURCH MONTERREY MEXICO:** The 29th of this month, marks the 38th Anniversary of this great Church. It is hard to believe that it has been that long since God lead Mary and I in starting this ministry. God is still blessing these faithful servants.

**LAS PALMAS BAPTIST CHURCH-ZUAZUA MEXICO:** This Church is still growing and has a young man that has graduated from Bible College, and another that has started. Pastor Ernesto Rodriquez hopes to plant a new church in the near future.

**CHRIST THE ROCK BAPTIST CHURCH-CARMIN MEXICO:** Pastor Jorge Garcia is excited in his plans to plant a new church real soon. His son Pablo is attending Bible College now. It seem that several of his members are getting married and therefore he is busy with weddings.

**LIBERTY BAPTIST CHURCH- MICHOACAN MEXICO** Pastor Josue Flores and his wife Silvia have had some health issues. We are thankful that they are better. They had it pretty rough there for a while.

**GRACE BAPTIST CHURCH- SAN LUIS POTOSI MEXICO** Pastor Josue Diaz and his family are doing very well. They have a great music program as his wife Dilila plays the piano and the guitar. She very good with the youth.

**BETANIA BAPTIST CHURCH- GARCIA MEXICO** Pastor Mario Moreno is now searching for land to build the church building. Please pray that God will open a door of opportunity as land is very expensive in this area. But there is nothing to hard for God to do.

**ONLY CHRIST SAVES BAPTIST CHURCH- EBANO SLP MEXICO:** One of our converts, Brenda Diaz married Raul Ahumada. I performed the wedding. That was 16 years ago. They left to live in San Luis Potosi and they started a church in Ebano, SLP. This church is now self-supporting and has a fairly large congregation. This is fruit and more fruit.

**JESUS THE WAY BAPTIST CHURCH- PERU:** Pastor Armando Ayaya has already bought land to build the church building. Please pray that they will be able to start construction very soon.

**OPEN DOOR BAPTIST CHURCH- LA MESA CA, USA:** California needs more churches. We have been trying to encourage these churches to plant more churches. We don't need larger buildings but more churches. Pastor Crecencio wants to plant a new church, lets pray and ask God to help him.

**OUR HEALTH:** Mary is doing very well since she has been on this treatment for her pancrese. But she doesn't like taking all those pills. I have been having trouble again with my back. I will be taking more shots. BUT God is so good to us. OH, WHAT A MIGHTY GOD WE SERVE!!!!!!!

In His Grace
