July 2026

Greetings in the Precious Name of Our Savior,

“...they rehearsed all that God had done with them...” (Acts 14:27)

This month marks a couple of important celebrations. First, there is the celebration of America's 250th Anniversary. We thank our God for the establishment and the preservation of our great nation! Second, at the end of this month we will be celebrating our 41st anniversary of full time ministry. We thank our God for His calling and enabling us for His ministry!

As our country is looking back and reviewing our country's history, I want to briefly review our ministry's history. I will focus on the last several months in this review.

On The Road: Our institute ministries continue to flourish as we slip into the second half of 2026. Twice each month we conduct Institute Seminars in two locations in India through video conferencing. There are an average of 30 students in each location, resulting in the training this year of 60 Christian workers, mostly serving as pastors or assistant pastors. This is a blessed ministry. Our two institutes in Romania also continue to be effective, helpful and a blessing to those who attend each session. I have the privilege of traveling to Romania three times a year. When I am there I teach the doctrine and Bible courses.

While in Romania, I always take time to ministry with ROMA missionary Pali Rafael in Hungary. Brother Pali has two ministries in villages near his home as well as the church in his home town. The last time I was with him we conducted an outdoor evangelistic meeting.

Also while in Romania I usually go with my friend and translator, Mircea Pricop, into Ukraine to minister the Word of God and, if possible, take much needed supplies to the churches and the people.

On the Home Front: As always the time not spent on the road is used to do the necessary administrative work for ROMA as well as caring for the family concerns. Eileen's health concerns continue to be at the forefront of our minds. As some issues seem to be resolved there are other issues that surface. Please be in prayer for Eileen's health. As for me, I remain healthy and active.

In the Works: There are a couple of new projects in which we are investing our time and energy. One of those projects concerns the Spanish ministries of ROMA. Bro. Fabio Betancourth is going to begin a Bible institute in Argentina. We will be assisting him with that institute by becoming a part of his teaching staff. This will be done mostly through video conferencing. Again, we request your prayers for this ministry.

From Our Hearts: We continue to be extremely grateful for your faithful prayer and financial support! Our ministries could not continue without your understanding and faithful support. God's blessing to all of you as we begin a new year of service!!

Your servants,
