Subject: 859 Days of war

To: william stripling <duck4151@bellsouth.net>

Greetings!

"For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope.... Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost." Romans 15:4,13

A wise friend comforted me some time ago, urging me to study HOPE in the Bible. I praise the Lord for taking this advice. This world offers no real hope, no real happiness, and no real peace. It offers chaos, instability, and fear. **But the God of the Bible, in the Person of Jesus Christ, offers us real HOPE, HAPPINESS, and PEACE** in the face of all the instability and uncertainty that life throws at us. Believers need to be reminded of these wonderful truths. Paul so often says in his epistles, "I know you know this but let me remind you...." As we walk this road of uncertainty with millions of Ukrainians, we continually remind ourselves to find comfort in JESUS as a source of HOPE. This is the message that we share with ourselves and those we serve, the beautiful Gospel of Jesus Christ. **Thank you for being a part of the comfort we have been given from the Lord!**

We are so grateful for how you have supported our family and helped us to find our bearings throughout the 850+ days of this war. You have also helped us give HOPE to literally tens of thousands of families by praying for our ministries, giving to our ministries, and sharing about our ministries with your churches and friends. **We continue to feed hungry children in Odesa and now in the Kyiv region, deliver humanitarian aid to civilians and soldiers, support wounded soldiers, evacuate civilians and wounded soldiers, support chaplains in their efforts to evangelize and support active servicemen, and start churches through the delivery of aid in Ukraine and the United States.**

War changes everything. Plans must be flexible as the landscape of everyday life can change on a dime. Kharkiv, the eastern "capital" of Ukraine sits just 30 miles from the ruzzian border. It is home to over a million people. It is being carpet bombed and attacked with missiles, mortars, and everything that the ruzzian army has in its arsenal (except the nuclear option). Evacuation efforts are being ramped up as life in the city becomes more dangerous and electricity becomes scarcer by the day. Ukraine's electrical grid is working at 25-30% and most Ukrainians have electricity for a few hours a day now. ruzzia continues to target civilian infrastructure and revels in making life hard for everyday Ukrainians.

The van that our trusted, chaplain/volunteer aid worker, Kostya has been using to deliver humanitarian aid to civilians and soldiers has been taken by its owners to Kharkiv to evacuate civilians. He is now without a reliable automobile to take him to the frontline cities and towns where aid is desperately needed. **We are reaching out to you to help us purchase a van for this valued and trustworthy preacher of the Gospel. We need \$15,000 for this need.** We know it is a big ask, but this van will take the Gospel in WORD and DEED to thousands of people without HOPE! **Please help us!**

Thank you for continuing to pray for the Raleigh Bible Study and the Worship service on Sunday evenings. Even during the summer holidays, we have new people each week. Many are new to the United States, unchurched, and finding it hard to adjust to life here. **Pray for us to minister the HOPE of Jesus to these families.**

Please also pray for our family as we seek to add new partners and church partners to our monthly prayer and financial support team. **Pray for the Lord to incline the hearts of like-minded believers, churches, and businesses to our ministry.**

Please continue to pray for a just and soon end to this war!

Sincerely,

Oleg, Lori, Abigail, and Simon Enskyy
