

The Ribeiros Church Planting in Brazil

DECEMBER THANK-YOU NOTE

Dear Pastor and Brethren,

"...His name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace." (Isa. 9:6)

These past few weeks have been exciting as we celebrated the anniversary of three of our churches. In November, we held a three-day Prophetic Conference celebrating the Mother Church's 31st anniversary. Before this event, five thousand flyers were passed out, inviting the community to the special meetings. It is no wonder that this church is well-known in a city of over 1.4 million people. Praise the Lord! A week later, we had a three-day Evangelistic Conference at our newest church, in Cambé, to commemorate its first anniversary. Our Brazilian pastor, Mauricio Terribile, and his wife, Lithyani, are doing an excellent work. This church grew from 16 to 60 people in one year. Pastor Mauricio is very strong on street evangelism and door-to-door visitation. Besides that, they often receive visitors through our radio programs on BBN International. Please pray that we will be able to acquire a piece of land for this church. We have raised U\$80,000 for this purpose, but most lots are over U\$100,000. The Lord will provide! We also celebrated the fifth anniversary of the church in Cerrado which was born right before the pandemic. We are sad to announce that about three weeks ago Senhor João da Cruz, one of the founders of this church, passed away. He was 92 years old and was hoping to live to see the inauguration of the church building. Though that did not happen, the Lord allowed him to see the foundation being laid for the building. We were able to visit him just a few days before he passed away. The Lord willing, CWE will build the sanctuary of this church in March of 2025.

Yes! We do need your prayers: **God's power, presence, provision and protection.** Only the Lord knows how much work we have in front of us in the near future. We love you and are immensely grateful to be your missionaries.

In His Perfect Love,

Romulo W Ribeiro
