Dear Pastor and Brethren,

"But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." (Isa. 40:31)

After spending three days with Joey and Josiah from CWE doing the construction buyout for church number six and then watching over the 15 young people from Ribeirão Preto who took a nine-hour road trip up to Goiânia for a special youth meeting among four of our churches, Rom felt that he was on the verge of getting sick. However, the Lord renewed his strength. We are now back in Ribeirão Preto after a very blessed, productive week in the Midwest of Brazil. **Praise the Lord!**

Our daughter Roxanne and her husband, Bruno Mendes, continue deputation in the States. Praise the Lord, they have reached 72% of their support level. However, Roxanne will need to return to Brazil at the end of March for a much-needed medical procedure. Please pray for her safety and healing and for provision for this need.

We are continuing to pave the way for CWE to come to Brazil in March to build the sanctuary of our church in Jardim Cerrado. We still need to buy additional construction materials, rent equipment, and prepare a place to adequately accommodate the 60 CWE volunteers who will be coming down over three different week-long periods. At end of week number three, the sanctuary will be dedicated with a very special service. Christians for Worldwide Evangelism (CWE) was born in the heart of **Paul Puleo**, a businessman in Tampa, FL. This will be the third of our seven churches built because of this man's love for the Lord. We are immensely grateful, but only in Eternity will we see the full extent of CWE's outreach here on Earth!

Thank you so much for making our church-planting ministry possible and for trusting us with the Lord's money. Thank you for the love offering of **\$500** you gave us. May the Lord bless you!

In His Perfect Love,

Romulo W Ribeiro
