

The Ribeiros Church Planting in Brazil

Our family conference in Cambé (church number seven) last month was a huge blessing. We had first-time visitors in each of the services because of Rom's daily radio broadcasts on BBN International which airs in that area. Three people made a profession of faith. They will be invited to go through our eight-week discipleship program and be baptized according to the Scriptures. This church is excited about a small lot they recently acquired on which to build their sanctuary. We strive to visit this church as well as church number six, which are in opposite directions, as often as possible to encourage them and to help the local church leadership.

JUNE THANK-YOU NOTE

Dear Pastor and Brethren,

"But my God shall supply all your need according to his riches in glory by Christ Jesus." (Phil. 4:19)

One of our supporters has offered us **\$40,000** if we are able to raise the other **\$40,000** needed to complete the educational building of our church number six (Jardim Cerrado). The total amount needed is **\$80,000**. Ever since our contributor proposed the matching funds a couple of weeks ago, we have managed to raise **\$10,000**. We are praying the other **\$30,000** might come in during this month of June so the construction can soon be completed.

In July, Rom will preach at a Family Conference in Salvador, Bahia, in the northeast of Brazil. We will take advantage of this opportunity to encourage the local pastors to participate in the Antioch Church-Planting Ministry, which we began in 2015: churches contribute to help in the establishment of new churches. We are grateful and honored to represent you on the Mission field.

In His Perfect Love,

Rom & Rachel Ribeiro
