Dear Pastor and Brethren,

*“... I bear record, yea, and beyond [their] power [they were] willing of themselves” (II Cor. 8:3)*

Our pastor, Missionary Jimmy Rose, used to say, “Nobody is so poor that he or she cannot give to the Lord.” We have witnessed our Brazilian people giving to the Lord above their own power. Recently three of our churches together raised **\$10,000** to help pay taxes and fees as we prepare to begin construction of our newest church in the city of Cambé. This was an amazing offering, considering several of our people make minimum wages (**about US\$ 310 a month**).

According to the Cambé city hall, our present lot is too small for a church building. Miraculously, the Lord is providing funds for the acquisition of the lot right next to ours. We are so thankful! As soon as our new project is approved, we will need your help with the construction. This is our church number seven which was started due to Rom’s daily broadcast on BBN.

We have 92 students enrolled in Jimmy Rose Christian School at our mother church up in Goiânia. Our school goes from kindergarten to fifth grade. We struggle to keep the doors of this school open due to unemployment and inflation, but your giving to missions helps keep this important ministry going.

We have 12 students at our Bible Institute in Goiânia and 20 students at our Bible Institute in Ribeirão Preto (where our church number five is located). Despite the nine-hour distance between these two cities, we are trying to keep our young people in touch for their spiritual growth and strength.

Our seven churches together are helping to support more than 100 Brazilian missionary projects through Faith Promise. We are teaching our people to do for others what others have done for them. This is what the Apostle Paul practiced in the New Testament. We cannot thank you enough for allowing us to be one of your missionaries. Thank you again for making our ministry possible! Thank you for the love offering of **\$500** you sent!

In His Perfect Love,

*Romulo W Ribeiro*
