

# The Ribeiros Church Planting in Brazil

God has given us land for construction and funds to lay the foundation and raise the walls of the sanctuary. However, we need to raise approximately US\$200,000 to completely finish this project. We prepared a short video showing what the Lord has done for us in the last few years plus presenting the current need of church number seven. Please let us know if you can help us reach our goal for this construction as soon as possible.

## MAY PRAYER LETTER

Dear Pastor and Brethren,

*“As it is written, He that [had gathered] much had nothing over; and he that [had gathered] little had no lack.” (II Co. 8:15)*

We finally received all the necessary blueprints to start the construction of church number seven. This means you have already helped us to establish six churches. Praise the Lord! The seventh church is in the South of Brazil, in a very promising location: Cambé, a city of 110 thousand people, near Londrina, a city of 582 thousand people. Rom is well known in this part of the country because of his daily broadcast on BBN International.

Why is this church very promising? We have trained a dynamic young couple, Pastor Maurício and his wife, Lithyane, to lead this church with our help, and God has used them to grow the group from 16 to 55 people in less than two years. These people are giving to Missions through Faith Promise, and paying \$1,634 on monthly rent, besides taking care of their own pastor. They believe in street evangelism and family camps to grow and strengthen the ministry. They also have a full-time missionary to the prisons around Londrina. Due to our daily programs on BBN radio, they often have visitors at church.

Please pray that the Lord will bless this construction campaign! We will keep you posted about our progress. We are honored to represent you in Brazil, and our ministry is only possible because of your financial sacrifice, and your trust in what we are doing.

In His Perfect Love,

*Romulo W Ribeiro*
