Dear Pastor and Brethren,

"I thank my God upon every remembrance of you." (Php. 1:3)

Rather than sending a full letter, this month we will share a very short video with you. We finally inaugurated the building of our church number six through a three-day evangelistic conference. Souls made a profession of faith, and the church building was full in all the services. Praise the Lord!

In this video, you will see many Brazilian faces that you are helping to reach for Christ. Dona Terezinha, whose house we used to start this church, is close to 90 years of age. She is crying in this video because her husband died a few months ago without seeing the building of the church he helped to establish.

This is a very promising church! They survived the pandemic, the long lockdowns, and all the restrictions the local government imposed on the churches at that time. However, these people realize real help came from our sending churches in the States. CWE (Christians for Worldwide Evangelism) built the sanctuary in one month, and most of you helped us financially with the rest. Thank you so much! This is the Great Commission of Jesus in action.

May the Lord bless you in a very special way with this video.
