Dear Pastor and Brethren,

"... Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit." (Joh 12:24).

The tragic event that happened in the United States recently is having worldwide repercussions, including here in Brazil. Though the news coming into our country was confusing, many Brazilians understood that Judeo-Christian values are under attack. We are using this opportunity to preach the Gospel and encourage our people not only to defend, but especially to practice their faith in Jesus. We pray that the Lord will guide and use each of us at this crucial moment to bring people to Christ in the United States and in Brazil.

In the midst of finishing the buildings for church number six in the Midwest, working at church number five in the Southeast, and assisting the Mother Church in Goiânia, we are making plans to begin construction for church number seven in the South. We need wisdom and good health to continue in this path. This past month, we held a three-day Evangelistic Conference in Ribeirão Preto and a Missions Conference in Goiânia with visiting American preachers. The Lord blessed! Souls made a profession of faith, and church people were edified.

After training Pastor Márcio Trindade, a national, for two years, we sent him to pastor a small congregation in the city of Bonfim Paulista in the state of São Paulo. This congregation lost its pastor to cancer a few months ago, and Rom was led of the Lord to recommend Pastor Márcio to them. It will be like establishing a new church since this congregation is in a rented building, and they do not have any financial condition to support a full-time pastor. We feel honored to help this ministry, which is not our own, but the Lord's.

Thank you so much for making our ministry possible in Brazil. Without your help, we could not have accomplished what the Lord has given us.

In His Perfect Love,

Romulo W Ribeiro
