"The Lord will strengthen him upon the bed of languishing: thou wilt make all his bed in his sickness" (Ps. 41:3)

July was a very blessed month. Rom translated for Pastor Tad Marshall who spoke to over 100 Brazilian pastors about the importance of personal evangelism and discipleship. Rom also spoke to the pastors concerning the importance and methods of church planting, and Rachel spoke to the ladies about discipling other women based on Titus 2:3-5. The organizers of this national Baptist congress said this was their best conference in the last 28 years. To God be the Glory!

Dr. Paulo César studied with Rom in college and became a successful educator in Brazil. He was diagnosed two weeks ago with cancer in his spine and bone marrow. Rom promised him hundreds of faithful Christians would be praying for him as he begins chemotherapy soon. He will eventually need to do a bone marrow transplant as well. Please pray with us for God's grace and comfort upon him and his family.

Immediately after the National Pastors Congress in Goiânia, we participated in the 10th anniversary of our deaf church in Ribeirão Preto. An American deaf pastor, Reggie Rempel, preached in ASL and missionary Carl Johnson translated to Portuguese and Brazilian sign language. It was a tremendous blessing! The altar was full after each service!

By the grace of God, we are planning to start construction of church number seven (in Cambé). So far, we have raised approximately **$19,000** towards the educational building. Would you consider helping us reach **$200,000** soon? The church in Cambé receives new visitors every week due to Rom's daily broadcast on BBN International. We are currently paying $1,500 on monthly rent. Once we move to our own building, we can free up this amount to cover the church's expenses. Thank you for prayerfully considering this!

We do not have enough words to express our gratitude for making our ministry possible. May the Lord reward you for your love and sacrifice.

In His Perfect Love,

Romulo W Ribeiro
