Dear Pastor and Brethren,

"Behold, how good and how pleasant it is for brethren to dwell together in unity!" (Ps: 133:1)

Despite the political turmoil and lawfare we are facing in Brazil, we are preaching the Gospel and growing our churches for the glory of God. Last month, Rom preached for our seventh church's second anniversary in the city of Cambé in the South of the country. The Lord blessed! Rom encouraged the church concerning their upcoming construction which will begin as soon as the City Hall approves our blueprint. The city codes are tougher for church buildings than for commercial buildings.

Meanwhile, we presented a Christmas Cantata, **Born to Die**, at our fifth church in Ribeirão Preto in the Southeast. Many visitors attended this special service. You can watch it in Portuguese at this link: <https://www.youtube.com/watch?v=2125p8XNMgY&t=1050s>

We ask you to pray for our physical strength as we are taking care of our fifth church while attending to the needs of our Mother Church in Goiânia in the Midwest and our newest church in the South. We just graduated seven students from our Bible Institute in Goiânia. Most of them are helping at church number six, which is in a very poor region of the city. BIMl missionaries **Bruno and Roxanne Mendes** are going to take over this ministry to help it grow and be able to support a full-time pastor. Please pray for them!

We wish you a Merry Christmas and a Happy New Year! You stayed behind us in 2025, and we do not take your prayers and financial help for granted. We are honored to be one of your missionaries. Thank you so much for the love offering of **\$500** you sent to us.

In His Perfect Love,

Romulo W Ribeiro
