

The Ribeiros Church Planting in Brazil

Rom translated for an International Family Conference at our first church in Goiânia, Goiás. Eight people made a profession of faith, and families were edified. The Woke Movement is rampant here in Brazil. We can be sued and put in prison for speaking against certain lifestyles. This conference was necessary to strengthen marriage vows and to better equip our parents to raise their children for the glory of God. We are doing our best to keep Jimmy Rose Christian School open and operating as a stronghold against the influence of evil in the lives of our children.

APRIL THANK-YOU LETTER

"So built we the wall; and all the wall was joined together unto the half thereof: for the people had a mind to work." (Nehemiah 4:6)

CWE (Christians for Worldwide Evangelism) came to Brazil in three groups, and in three weeks they built over 90% of the sanctuary of our church number six. Praise the Lord! The first group dealt with some infirmities and extreme heat in the Midwest. Despite these difficulties, they were able to pave the way for the following two groups. CWE built not only a building but also lives through their love and testimony. Some young people made a profession of faith and others rededicated their lives to the Lord. Now it is up to us to install tiling on the floor, fix the sidewalks, acquire furniture, and inaugurate this building as soon as possible. Please pray that the Lord will supply for these needs.

Thank you for praying for our daughter Roxanne's surgery. It was completely successful. She is now recuperating and will be returning to the States in a couple of weeks, the Lord willing, where she and her husband are on deputation. They now have over 80% of their support and hope to be fully supported and on the mission field by the end of this year. We cannot imagine our lives and ministry without your prayers and help.

In His Perfect Love,
