

Special Guests from Seattle Washington

We had special guests from Seattle on July 26. Bro. Jeff Brigham and his wife Keiko brought up a young lady. She is a pianist and has a beautiful voice. It was a blessing to hear her testimony and special music. She plays the piano while singing. She does not know where God wants her as a missionary, but she is praying to be a missionary in Southeast Asian countries. We pray that God leads her to Japan in the future.

Kid's Summer Camp in Hamamatsu

Our summer kid's camp was held at Kawana camping Center in Hamamatsu. Though it is very hot in this place, Kids enjoyed every program. It has been nearly 100°F for about a week. Now it is getting a little cooler. The theme of this camping was "Meet God and Friends". This kid's camp was combining of four local churches such as Gamagori Baptist, Anjo hope Baptist, Toyota Baptist and Nagoya Southside Bible Baptist church. "Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them;" Ecc 12:1

My physical condition

After my last body examination that was held in January 2026, I had no physical problems. There was no sign of recurrence for about six months. Now I don't even have to take medicine for it anymore. Surely Jesus is my main doctor and took care of me. Next exam is planned on August 4 and 18. I have a CT& MRI check. Pray for me to have no problems.

New church building project

The size of this land is nearly 500 square meters. (5400sq feet) We have been praying for construction to start soon. Finally, the blueprint of our new church building is drawn. Now we came up with a plan with our deacons. May be because of Persian crisis, it is not a good time to start construction works now. We are praying for starting this project next year of July. We made a bigger church building than a former church of course. The accommodation of the sanctuary is about 70 to 100.

Kumamoto Earthquakes took place on July 28

As the map shows, we had almost no shaking in Toyohashi. It is more than 500 miles away from Toyohashi. All sudden, beautiful Kumamoto castle was broken, and many houses were destroyed. Please pray for people in Kumamoto and thousands of houses were destroyed and they stayed shelters without any privacy.

Prayers and Praise:

1. Please continue to pray for Hiroko and Takuji's health. I have no physical problems now.
2. Please pray for someone who takes over our ministry.
3. Pray for a new church building to be started soon.
4. One of my precious friends gave us a huge amount of offering for it this month.
We have now about 40% of what we need. (Need approximately \$ 350,000.00)
