Dear Pastor and Brethren,

"Beside those things that are without, that which cometh upon me daily, the care of all the churches." (II Cor. 11:28)

Ever since returning to Brazil 40 days ago, we have been working uninterruptedly in Goiânia, in the Midwest of Brazil, and in Ribeirão Preto, in the Southeast. Meanwhile, we are in touch with the leadership of our newest church in Cambé, in the South of country, concerning the purchase of property for their church building. Please pray the Lord will show us the right piece of land. This past weekend this church celebrated its first anniversary with a three-day Evangelistic conference. This past Saturday morning, several people went out with huge signs with Evangelistic Bible verses plus Gospel tracts which they passed out at stop lights.

In Goiânia, at our Bible institute, Rom taught an intensive course on church planting. The classes were open to anyone who wished to attend, so several church members attended as well. On this occasion, Rom presented his newest book which is on **Biblical Philosophy and Practice of Church Planting**. This book is the offspring of the sessions he taught on church planting a couple of years ago to the Brazilian Bible Baptist Fellowship pastors and missionaries.

Antioch Pastors' Fellowship Meeting

In Ribeirão Preto, we held a three-day Missions Conference where our people pledged to give approximately \$1,800 per month towards Missions, a magnificent amount for Brazilian standard, especially considering the size of the church. Praise the Lord! That same weekend we held the Antioch pastors' fellowship meeting. A special offering was raised to help in the construction of the church auditorium of the new congregation which the fellowship is currently supporting.

We cannot thank you enough for allowing us to be your missionaries. God is blessing us because of your prayers and financial support of \$500.

In His Perfect Love,

Romulo W Ribeiro
