2nd Anniversary in
Lleida

We also celebrated the 2nd anniversary of our daughter church in Lleida, led by Brother Igor Días, Elianne, and their son Christopher. It has been a great blessing to witness what the Lord has done in this small church, especially in a city with few healthy churches. Please pray for the city of Lleida.

Facility Improvements

We are gradually making improvements to our church facilities. We have started working on the pastoral office, including flooring, painting, and shelving. Please pray that we will have the necessary funds to complete these renovations, creating a welcoming space for study, counseling, and other activities.

Pastor's Retreat

This week, I attended a pastor's retreat in Málaga with pastors from Sevilla, Huelva, and San Sebastián. It was a blessing to share and pray together for our churches' needs and to offer practical support in some cases.

Pray for our church

- Deacons: We are in the process of recognizing potential deacons in the church. Pray that the Lord guides us in identifying them so they can be a blessing to the body of Christ, allowing me to focus more on preaching, counseling, discipleship, and visitation. With the growth of the church, it has become challenging for me to manage all the administrative and logistical tasks alone.
- New Ministry Leaders: We have appointed new leaders for various ministries, allowing our members to rotate and experience different areas of service. We ask for prayer that more brothers and sisters will volunteer to assist with the different ministries. We also have some ministries waiting to be launched until more members come forward, including: 1) Children's School 2) Welcome Ministry 3) Visitation for the sick and needy.
- Church Growth and Discipleship: In recent months, we have experienced growth in attendance, along with some conversions. Please pray that the Lord helps us disciple the new believers, helping them grow in their knowledge of Him and supporting them until their baptisms.
- Sermon Series: This October, in celebration of the Reformation, I have begun a series of 5 sermons on the 5 Solas, which has been a great blessing to the church.

Bicycle Accident

In August, I had a serious bicycle accident and spent 4 days in the ICU with 5 broken ribs. Thankfully, I am recovering very well, and I appreciate your prayers during this time.

Silvia's work

We thank the Lord that Silvia has been busy with work. However, due to her health challenges related to perimenopause, she sometimes struggles with fatigue while managing a 40-hour workweek. We are grateful for the strength the Lord provides, and she continues to serve in our church in various capacities, including the women's ministry, secretarial work, cleaning, and communion preparation.
