Dear Friends,

Thank you for your kind gift to help us during these summer weeks of ministry. You are being used of the Lord to impact hundreds of lives.

Praise the Lord for the opportunities we have through our various activities. Our Gospel Heralds ministry team has begun their outreach. If they are in your area during the summer, I encourage you to attend their concert as they focus on "Building for Eternity" ([abc.edu/gospelheralds](http://abc.edu/gospelheralds)). Our Ladies Conference serves as a real blessing as women are challenged to follow the Lord. Our Alpine Bible Camp and Adventures programs will reach young people with the gospel and the opportunity to surrender to serve God. Pray for all of these ministries.

It is not too late to encourage prospective students to take advantage of our BIG Scholarship which covers the cost of tuition for ALL new, full-time, campus students. We are passionate about seeing students grounded in God's Word as they face our needy culture. Our world needs Jesus!

Again thanks for your impactful partnership. These are exciting days on our campus. Please keep praying the Lord of harvest to send forth servants...*because Life is for Service.*

*So grateful for the privilege to serve together! Rosalie I have been encouraged during these summer weeks as we serve with various ministries - help make this possible!!*
