Dear Friends,

Thank you so much for your encouraging gift. Our ministry is dependent on the partnership of dear supporters like you.

This is the time of year in our ministry when we are in transition. Our college season has ended with a grand graduation celebration. Praise the Lord for another group of servants who have prepared to share the gospel and strengthen the Church around the world. Please pray that each will carefully follow and serve the Lord.

As we celebrate these graduates we are accelerating our Alpine Adventures and Bible Camp preparations. We have a full summer of ministries in place as we serve guests from states all around the eastern half of our country. Pray for safety, souls to be saved, and spiritual decisions to be made. Especially pray for God's call to serve Him.

Your help is such a blessing. Keep looking for prospective students and offer them our BIG Scholarship. Pray the Lord of harvest to send forth servants . . . *because Life is for Service.*

Rosalie: I just returned
from a wonderful Jubilee
Handbell Tour. Your
prayers helped us to
minister during those
two weeks. Would
love to have your ladies join for our Ladies Conference.

Blessings

P.S. Let me encourage ladies to join us for our exciting Ladies Conference, June 21-22, 2024 (abc.edu/ladies-auxiliary/events.php). Our speaker, Reba Bowman, will bless you!
