Dear Pastor and Brethren,

We have asked you to pray and to contribute towards our \$200,000 goal of our 7th church's educational building. We have raised \$19,000 so far. **Praise the Lord!** In May, Rom and Rachel met with the engineers that are drawing up the blueprints and getting the project approved at the City Hall. The next step is to decide who is going to build our sanctuary. The educational building will have to wait until we have enough funds for it. Building is an essential part of our church planting ministry. Thank you so much for understanding this need and for helping us.

Recently 16 newcomers concluded our eight-week discipleship classes which covered Salvation, Assurance of Salvation, Baptism, the Church, the Trinity, Tithing and Giving, Spiritual Gifts, and Evangelism.

Please pray with us for Fabiana, a police officer, mother of four, who is battling cancer. She and her family are very faithful at our church, but her disease has brought huge challenges to them. The church is showing support for Fabiana as much as possible. Please pray for her complete healing. She is a soulwinner and has often brought visitors to the services. She has often helped people with physical and spiritual needs.

Thank you so much for reading our monthly letters, for supporting us financially of \$500, and for praying on our behalf. May the Lord reward your kindness and generosity.

In His Perfect Love,

Romulo W. Ribeiro

We are so blessed by our Deaf Church Ministry. Recently one of our deaf leaders, Jaiter Soares, went to be with the Lord at the age of 48. His death caused a spiritual awakening among the deaf, and we are seeing them more interested in the Kingdom of God. Please pray for the deaf conference we will have at the end of this month.
