

# The Ribeiros Church Planting in Brazil

## JULY THANK-YOU NOTE

Dear Pastor and Brethren,

*“And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men...” (II Tim. 2:2)*

This past weekend Rom spoke at a Family Conference at the church in Serra Azul. This church, born through the Antioch Project, is doing very well. We are about to start a fourth church through this ministry which is supported by 25 national churches. **Praise the Lord!**

We participated in the National Congress of the Bible Baptist Fellowship churches of Brazil where Rom was one of the keynote speakers. He preached on Tools Necessary for the Ministry (Human Beings), and taught seven lessons on church-planting philosophy to 45 BBF missionaries. Rachel had two sessions with the missionary wives.

Our oldest daughter, Rochelle Joy, spent 10 days in the Amazon, helping a BIMI medical missions team from the States. July was a very intense month!

We just returned from a three-day trip to Taubaté (a six-hour trip), where BIMI missionary Ed Johnson is establishing a dynamic church. There is a BBN radio station in that city, so nearly 100 people attended the service to get to meet and listen in person to “Pastor Rom Ribeiro.”

There are 12 couples attending our Eight-Week Discipleship course. God has been so gracious to us adding 12 new families to our church in Ribeirão Preto over the past few weeks. What a blessing after two years of restrictions and social distancing!

This time, rather than asking for prayers for our financial needs (which are real), we are asking for prayers for more laborers, both national and American missionaries, with the same vision as ours. Our various ministries are growing, and we need help. Jimmy Rose Christian School needs more teachers trained in Christian colleges to help us take advantage of the Christian Education Movement we have started in Brazil, and we need more missionaries to join our church-planting team.

It is our privilege to be your partner in worldwide Missions!

In His Perfect Love,

Rom & Rachel Ribeiro
