

# The Ribeiros Church Planting in Brazil

## JULY THANK-YOU NOTE

Dear Pastor and Brethren,

**“This know also, that in the last days perilous times shall come.”**  
(II Ti. 3:1).

It is hard for us to explain the havoc Brazil is going through, but you can gain some understanding of it by watching an interview done by Tucker Carlson, from Fox News, with our president, Jair Bolsonaro. You can copy and paste the link below to watch the interview:

We held our first churrasco (“barbecue”) with our fifth church in Ribeirão Preto since the beginning of the pandemic. We enjoyed a sweet time of fellowship. God is blessing. Though, unfortunately, about 30% of our congregation never returned after the pandemic, we are having first time visitors almost every service, and several new families have made a profession of faith and are starting to come faithfully.

We have not started constructing our educational building of the Jardim Cerrado church yet due to the constant fluctuation of prices of labor and materials, plus a shortage of construction materials on the market. The three contractors we have found willing to embrace this project are all asking for approximately \$48,000 more than what we can offer them. Please continue to pray for this difficult situation, and for the extra amount of money needed to accomplish this mission. On a positive note, this young church held a missions conference this past month and promised to increase their giving towards Missions.

Roxanne, our daughter who is a BIMi missionary, is at 41% of her support level, praise the Lord! **If you feel led of the Lord, please allow her to share her vision with your church.** Here is her contact information: (704) 605-2330 or [roxannejean33@gmail.com](mailto:roxannejean33@gmail.com). You can access her video presentation by copying and pasting this link: <https://youtu.be/39u8uQ8iOmU>

Thank you so much for assisting us as one of your missionaries. We strive to represent you faithfully on the mission field, by God’s grace.

In His Perfect Love,

*Romulo W Ribeiro*
