Dear Pastor and Brethren,

*“A man’s heart deviseth his way: but the LORD directeth his steps.”
(Pr. 16:9)*

The Lord called us to build PEOPLE! Our Faith Promise for Missions at the first church of our ministry, in Goiânia, had decreased 40% over the past few months. Recently, Rom preached there on **The Power of Missions and The Extreme Necessity of Missions**, and the Lord moved the hearts of our people. In the month of May, for the first time this year, our church reached 100% of its promise towards Missions. **Praise the Lord!** Pray that our people will continue to invest in the Great Commission.

At our church in Ribeirão Preto, in the southeast of Brazil, we held a youth meeting with approximately 300 people. The message was on **The Call of God**, and several young people surrendered their lives to do God’s will.

This past month, Rom preached at a family conference in Curitiba in the south of the country. A prominent city hall representative attended, and the congregation as a whole committed themselves to win more souls for Jesus and to protect their homes from the influence of this world. **Praise the Lord!**

Thank you so much for helping us to do Missions in Brazil. Thank you for the offering of **\$500** May the Lord reward you for your love and sacrifice.

In His Perfect Love,

Rom & Rachel Ribeiro

During our six-month furlough last year, we raised **\$110,000** towards the small educational building of the sixth church of our ministry (we will build the sanctuary in the future); however, ever since getting back to Brazil, due to inflation and the devaluation of the dollar, we have not been able to find any contractor willing to build for the amount we have to offer. Unfortunately, we need to raise at least **\$48,000** more in order to build the educational building. We are sorry for not having started this construction yet. **Please pray for this situation.**
