

The Ribeiros Church Planting in Brazil

FEBRUARY THANK-YOU NOTE

Dear Pastor and Brethren,

“Who forgiveth all thine iniquities; who healeth all thy diseases.”
(Sl. 103:3)

About three weeks ago, we traveled up to Goiânia where Rom was going to preach for the first time since we returned from the States, but omicron struck our entire family, and we had to isolate. Thank the Lord, our symptoms were mild, and a week later we were back to normal. Our main need at this moment is for good health and spiritual strength. The Mother Church in Goiânia has lost approximately 30% of attendance and offerings. Jimmy Rose Christian School needs to increase in enrollment in order to cover its operational costs. We, as a family, need God’s power, protection, presence and provision in the midst of all these challenges.

We had a very special weekend at our church in Ribeirão Preto. Saturday evening we celebrated this church’s first wedding, and Sunday we had visitors in both services. One soul accepted Christ as his Savior.

Please pray that the Lord will add at least two other missionary families to our team work. We have need for missionaries to help us with church planting and Christian education. Feel free to recommend our ministry to missionaries of the same faith and practice as us.

Thank you so much for blessing us with your prayers and financial support.

In His Perfect Love,

Rom & Rachel Ribeiro

Roxanne had to postpone her return to the States for a few days due to her positive Covid test. Fortunately, she was able to fly out this past Friday, making it just in time to her first scheduled meeting in Waco, TX on Sunday. Please pray that she will be able to quickly raise her support to return to Brazil as a missionary, and invite her to share her burden with your church, if the Lord leads you to do so.

Momments before heading off to the airport
