

# The Ribeiros Church Planting in Brazil

## MARCH THANK-YOU LETTER

Dear Pastor and Brethren,

“And ye shall hear of wars and rumours of wars...” (Matthew 24:6)

Throughout the pandemic, Rom has preached prophetic messages to our churches here in Brazil. He continues to do so now in the face of the Russia-Ukraine War. Besides preaching profound prophetic messages, Rom is using the present health and political crises to point out the importance of being prepared because these days are evil. We are planning to have a major Prophetic Conference with a Brazilian Hebrew teacher, Alexandre Dutra, in the city of Ribeirão Preto in April.

The Lord has been so good to the church in Ribeirão Preto where we are currently serving. Gradually, week by week, attendance has been rising, and we are seeing people making professions of faith. This month we have begun several courses which will bless the ministry: Christian philosophy of music, sign language classes, eight-week discipleship for hearing and for deaf. The pandemic is not over yet, but slowly things are going back to normal. Praise the Lord!

Thank you so much for making our missionary work possible in Brazil. Only the Lord can reward you for your generosity.

### We have a few prayer requests:

1. Rom has been asked to help rescue churches that are without pastors in the South of the country. We need wisdom and strength to know how we can help.
2. We need the Lord's direction as we look for the right contractor to build the Sunday school building of our sixth church up in the Midwest of the country.
3. We need at least two missionary families willing to be a part of our work team. God has opened many doors of opportunities, but we are not able to enter all of them by ourselves.
4. Remember Roxanne in your prayers as she continues on deputation.
