

The Ribeiros Church Planting in Brazil

MAY THANK-YOU LETTER 2022

Dear Pastor and Brethren,

“Knowing this first, that there shall come in the last days scoffers, walking after their own lusts.” (II Pe. 3:3)

Last year, the estimate of the total cost to build the Sunday School building for the sixth church was **\$110,000**. Today, due to high inflation, shortage of laborers, and the decrease of the dollar rate, we will need at least **\$48,000** more. We plan to build this church in three phases: first the walls around the land, then the educational building, and finally the sanctuary. We are talking to two contractors. Pray that the Lord will guide us or give us wisdom to close the deal with the right people.

National missionary Alexandre Dutra who works with Rachel’s father, Dr. Thomas Gilmer, reaching Jewish people in Brazil, was our guest speaker at our three-day prophetic conference. We used this event to encourage the return of our people to the services, and to help them to understand the world through the lens of the Word of God. We had a number of first time visitors and several people made a Profession of Faith.

This month about 250 Independent Baptist young people will be attending a special meeting at our church. That same day, their pastors will be discussing the next Antioch Ministry church planting project. Through this ministry, which we helped start six years ago, three churches have been established and soon we will start the fourth one, the Lord willing!

We are so grateful for the \$6,000 love offering Jimmy Rose Christian School received that helped alleviate the financial stress caused by this Pandemic. Thank you so much for praying for this ministry. Thank you for allowing us to be one of your representatives in the country of Brazil. We cannot thank you enough!

In His Perfect Love,

Rom & Rachel Ribeiro
