

Fighting against three Trials 1. Physical trials 2. Cults 3. Corona virus

Physical Trial I sent a special prayer for me. I was diagnosed with malignant lymphoma.” As I felt a small sized lump in both sides of my neck, I went to an ENT doctor on the first week in May. He told me it was is Ok. Don ‘t worry about it. This is just a beginning limp. They will be gone soon. But the left limp grew until it was the size of an egg. Then I went to Toyohashi Municipal Hospital for detailed examination in September. I had many tests. It took about a month. I was diagnosed with malignant lymphoma in October. After that, the doctor checked my body by PET CT Scan and others

All medical exams were finished. The name of my disease is “diffuse large B-cell lymphoma” Stage 3. The doctor told me the stage is not very important because anticancer drug treatment covers every part of the body.

He also told me this is a promising type for completed cure. I will have the anticancer drug treatment and later chemotherapy. I was admitted to Toyokawa Municipal Hospital October 11th, and 14th I received VI chemotherapy. So far, I have had no side effects and the swelling in my cheeks has gone down a lot. I will be under observation for a while. The current treatment plan is for 6 cycles at 3week intervals. So this chemo will be over at the first week of March, 2023. Please pray that the side effects will be mild and that I will be protected from my immune system weakening.

The Unification Church started by Sun Myung Moon in Korea.

This cult has been spread all over Japan since 1960. They changed their name many times but “Family Federation for World Peace and Unification ”is the official name. Former Prime Minister SHINZO ABE was assassinated on July 8 in Nara City. A sniper thought Mr. Abe had some relation with Unification Church. Many Japanese people think churches are dangerous groups because of that cult.

Corona virus:

Because of the Corona virus pandemic, there have been many restrictions on going to other countries. But finally, we are able to go to America. However, the final decision is depending on my doctor’s advice.

The Lord willing, we are going to the US on furlough from March 19 to May 24. We wanted to stay longer, but we can stay there only two months. During our stay in America, we would like to visit as many as churches and meet as many as possible. If you would permit us to your mission conference during our stay in US. our schedule is almost booked, but we still have some open days. We are happy to attend the conference or any services.

Prayers and Praise:

1. Please pray for my serious illness to be cured soon.
2. Please pray for our “Kidz Klub” meeting held once a month.
3. Pray for Source of Light ministries. We have more students from jails around Japan.
