December 2023

Greetings in the Precious Name of Our Savior,

*“Glory to God in the highest, and on earth peace, good will toward men.”* (Luke 2:14)

That of course is still the message that we bring to all, especially those still without Christ. As we draw to the end of another year, I pause to take account of all that God has done in and with and through our lives and ministries this past year.

**On The Road:** Since August travel has been almost nonstop. I spent the month of September in Romania teaching in two of our institutes. I was also blessed to preach in Chapel at the Baptist College International in Timisoara. This trip also covered ministry in Tinca, Stei, Timisoara, Oshei, and Costeiu, Romania.

In October we, once again got to minister at Mt. View Baptist Church in Hesperia, CA as well as Liberty Baptist Church in St. Amant, LA. While in Louisiana I took the opportunity to present the ministry of ROMA in three other churches in that area (Gonzales Baptist Temple, New Life Baptist Church in Ponchatoula and Grace Baptist Church of Marrero).

While I have been on the road for the last couple of months, physically, I have also been on the road in a different way. The ROMA Institute ministry that we began in India via FaceBook Messenger, has continue, completing lessons on doctrine, personal evangelism, church planting and this month, the Life of Christ. We will be finishing with the scheduled course of studies and presenting the 28 Gypsy pastors with completion certificates. At the same time, I have been able to minister in my home church when I have been in town.

**On the Home Front:** Things are well at home. We were able to finish a home renovation project removing carpeting and adding laminate flooring. This will help handle the dust issue that effects Eileen's allergies.

Health has been a bit of an issue for Eileen this year with several smaller problems that has resulted in some larger health needs. It's one day at a time and trusting our loving Savior's care.

My health remains good allowing me to continue traveling and conducting the ministries that God has called us to do. I do see the inclusion of my internet seminars as a plus for the time where travel will be more difficult.

**In the Works:** We have some exciting things planned for the coming year. In 2024 I have the normal three trips to Romania. I also have several meetings planned to present the needs of missions in general and ROMA in particular.

One of the real blessings is the expansion of ROMA Institute - India. This coming year we will be adding two new groups of Gypsy pastors to our teaching schedule. What that means is that, instead of one seminar a month, we will be conducting two seminars a month.

**From Our Hearts:** We continue to be extremely grateful for your faithful prayer and financial support! Our ministries could not continue without your understanding and faithful support. God's blessing to all of you as we continue our service to the Savior!!

Your servants,
