Camp is an exciting time of the year, filled with fun, wonderful memories, and spiritual decisions. As a parent of a camper, sometimes letting students go can leave you feeling uneasy, or you may just be unsure of what to pack or not to pack with your student. The staff of Berean Baptist Church and some experienced moms have compiled a list of items that may be helpful for you as you prepare for camp. Some of these items are more appropriate for junior campers and some may depend on the responsibility of your child.

Take at least two towels: 1 or 2 for the shower and 1 or 2 for the lake, don't forget washcloths

Do not send quality bedding or towels – they may not come home. We recommend that you send nothing that would be missed should it not come home

All toiletry items – none are provided, liquid shampoo and body wash is easier to handle than bar soap

Sunblock – please keep this with them

Two swim suits in case one get lost or damaged

Fair skinned children may want a shirt for swimming in

Flip flops or lake shoes and tennis shoes for playing in the gym

Twin sheets and blanket or sleeping bag, and a pillow – sleeping bags are easier to work with.

Extra socks for skating

Please do not send fishing poles, they are easily damaged in transit

Students may take their own skates or roller blades.

1 extra set of clothing so your student has 6 sets of clothing not 5.

Gallon Ziplock bags labeled for each day with clean clothes and that dirty clothes can be placed back into.

Plastic shopping bag for wet clothing

Medicine should be placed in a Ziplock bag and include the child's name, church name, and any directions. ****Please do not send loose pills****

Sweatshirt\jacket

Label clothing, shoes, and personal items

We meet at the church at 2:00pm on Monday, depart at 2:30, and will arrive back at the church about 11:00am Saturday. You may want to stay at the church until the bus pulls out of the parking lot to wave.

When registering your camper through the camp portal, you will have the opportunity to add spending money to their account. Each night of camp, you will receive a record of your camper's spending with their current balance. \$5 per day would be sufficient for snacks; if your student would like souvenirs, please send additional money; t-shirts are roughly \$15.

Pictures are posted on the church Facebook page.

Campers are fed well at every meal, but you may send snacks in a sealed bag for the week, however there is no food or drink on the bus.

Cell phones should be left at home for Jr. Campers.

Teen campers may leave their phones locked in the bus once we arrive at camp.

The camp contact information is 412 Lakeshore Dr, Lake Waccamaw, NC 28450 (910) 646-4111. You may send mail to your student, but please do so early in the week to allot time for delivery.
