Dear Friends,

Thank you for your encouraging gift as we begin this new year. Praise the Lord for His faithfulness.

As we start our new semester I am always reminded of the wonderful privilege to equip servants for sharing the gospel and strengthening the Church around the world. As we see the needs of our world we are more passionate than ever to proclaim the Word of God to needy hearts. Your prayers and support are being used of God in a great way.

Please continue to encourage prospective students to take the opportunity to come to Appalachian TUITION FREE through our BIG Scholarship. We are determined to make it possible for students to be prepared to honor the Lord in a culture that opposes God. BIG provides generous financial aid, but more importantly we want to **Biblically Inspire Godliness!**

Again thanks for your faithful partnership. Please remember to pray the Lord of Harvest to send forth servants . . . *because Life is for Service.*

Ronnie? I have
sensed your prayers
during these past
few weeks as we have
had a full schedule
of ministry on campus,
in Uruguay, and in our NOBC graduation
at the prison. Thank you!!
